OFFICE OF the Chairman,

No. A2 PR 17/56-7
Encls.

Date 26th April 1956.

To

The Secretary to Government,
Local Self Government and Education Departments,
Bangalore.

Sir,

Subject: Ramakrishna Mutt Composite layout including Survey No. 54 of Gavipur Village.

With reference to your letter No.L.459/ITB.2-53-69 dated 10th April 1956, I desire to state that this Ramakrishna Mutt Composite layout plan prepared was ~~formed~~ as per instructions of the Hon'ble Minister for Local Self Government and Public Health during his spot inspection on 9th January 1956. As pointed out in the 1st paragraph of my letter No.A2.PR.17/56-57 dated 5th April 1956, survey Nos. 54 and 55 of Gavipur village were included in the layout and smaller sites (of 20'x25') were to be formed to provide for displaced hut-dwners. The entire scheme envisages clearance of a particular slum area by suitable formation of a layout of smaller sites to adjust and accommodate as far as possible the hut-dwellers in the same area, and for such of those who are going to be displaced, in the contiguous area, by and near, the slum by further layout.

As again pointed out in 2nd paragraph of my letter dated 5th April 1956, referred to above, it was proposed that the area under the control of the Corporation (that is Survey No.54) may be made over to the Trust Board to implement the scheme.

The scheme is prepared on self-supporting basis and the ~~cux~~ crux of the entire scheme depends upon the availability of this area now under the control of the Corporation. Unless

Unless that area on which the entire scheme is based is available, it is not possible to implement the scheme which is aimed not only to clear a big and longstanding slum by a proper layout, providing for displaced hut-dwellers but also for construction of about 100 cheap houses for such of those displaced hut-dwellers who are not in position to construct houses immediately. This is one of the composite schemes proposed to be undertaken both on self-sufficiency basis and under loan from Government, which envisages layout cum provision for displaced hut-dwellers cum construction of cheap houses under the Trust Board Scheme.

I request that suitable orders may be passed early to take up the scheme.

Yours faithfully,

(B. V. Lankappa)
Chairman.

Hence the Corporation need not acquire S.No 54 of Ayanpur Village for the formation of Layout & the Inner Bond could take up the work in this Area.
